This exhibition is called and themed " Horizons", and described as follows -

Horizons are the line at which the earth's surface and the sky appear to meet.

It can also be described as the limit of a person's knowledge, experience, or interest, like when we say broaden your horizons". It is the limits of what one wants to do or of what one is interested or involved in. As your horizons expand, these new ideas can give a whole new meaning to life.

You cannot close your eyes to new horizons so we have asked our member artists to show in their abstract or realistic artwork, in any materials how they translate these meanings.

The exhibition is open weekdays at Myhorizon Event Centre. From 11th March to 12th April 2019 from 8.30am until 4.30pm weekdays
The delicious 'Bush Pantry café' is open Monday to Friday 7.30am till 2pm
